ALDERSLEY ATHLETICS

On Tuesday some of our Year 5 children represented our school in the Wolverhampton City Athletics Event held at Aldersley Stadium. The children competed in a number of track and field events against children from other primary schools in our city. The children were fantastic ambassadors for our school and demonstrated their sportsmanship, determination and talent throughout the afternoon. Well done to those children who competed.

The end of year reports have been sent out today (except for Year 6 which will come out on Tuesday 9th July). Our open afternoon for parents is on Thursday 11th July, 3.20 - 5 pm. This is a drop-in session to look at books in the classrooms (no need for appointments). Don't worry if you cannot make this session as we will send the books home with children the following week.

Who the programme is for

The HAF programme funding is primarily for school aged children from reception to year 11 (inclusive) who receive benefits-related free school meals (FSM).

Benefits-related FSMs are available to pupils if their parents are in receipt of one of the qualifying benefits and have a claim verified by their school or local authority.

For further information on eligibility, visit [apply for free school meals](#).

Local authorities are asked to ensure that the offer of free holiday club provision is available for all children in receipt of benefits-related free school meals in their area. Though this does not mean we expect all to attend, as the provision is voluntary.

Universal infant free school meals

All children in reception, year 1 and year 2 in England's state-funded schools receive a free meal under the universal infant free school meals (UIFSM) policy.

Infant pupils who receive a free meal under UIFSM must also be eligible for benefits-related FSM to be able to access a place on the HAF programme.

There are also paid spaces at this summer club. Here is a discount code for 10% off the camps at Spring Vale only:

TAKEHOME

What does it take to be an Olympian or Paralympian?

In the news this week

This summer, the 2024 Olympics, held in Paris, will run from 26th July to 11th August, and the Paralympics will take place from 28th August to 8th September. The Games will see the world's greatest athletes come together in France's capital city to compete for their place at the top of the podium. For many athletes, these Games are the peak of their sport, with a gold medal as the highest accolade. The competitors are likely to have spent months and years training for numerous hours per day to prepare.
