Summer	Number: Fractions B		Measurement: Money		Measurement: Time			Geometry: Properties of Shape	Assessment	Geometry: Properties of Shape	Statistics			

The yearly overview provides proposed timings for each block of learning, but this can be adjusted to suit the needs of the children or other requirements. Assessment to be completed at the end of each term but this can be altered from the suggested week in the overview above to support teachers in data judgements.

*Note: Warm up activities at the beginning of Maths lessons will include revisiting learning from previous term objectives, revising previous year group objectives or pre-teaching. Teachers can use the ready-to-progress criteria to aid with planning of warm up activities.
