Please note the above dates and times may have to be changed due to bad weather.

SPORTS DAYS THIS WEEK

WHEELCHAIR BASKETBALL

On Wednesday, Year 5 and 6 had the opportunity to take part in a wheelchair basketball session with an outside, qualified coach. The children really enjoyed this session and gained an understanding as to how this sport can be inclusive for all abilities. We definitely have some basketball players in the making!

NURSERY animal man visit

This week the Animal Man (Stefan) came in to visit Nursery. He brought a range of animals for the children to hold and touch. He brought in cockroaches, a bearded dragon, a gecko, a rat snake, a king snake, an owl and a baby skunk. The children had lots of fun learning about each animal! Did you know? Cockroaches can live a week without their head! And that Bearded Dragons beards change colour depending on their emotions!

YEAR 6 LEGO ROBOTICS DAY

MOVING UP MORNING

Children in years Reception to Year 5 will be spending the morning in their new classes on Friday 5th July. Look out for the newsletter next week where you will find information regarding classes for the next academic year.

EURO'S 2024

UEFA
EURO2024
GERMANY

I'm sure you are all aware that the Euro's 2024 competition kicks off tonight with Germany v Scotland. England will be playing their first game on Sunday.

The star player for England, **Jude Bellingham**, grew up less than 5 miles away from Spring Vale in Stourbridge. Jude is considered one of the best players in the world and is known for his technical abilities, vision and finishing.

That just shows that dreams can come true!
