YEAR 6 SATS

Good luck to Year 6 who will be doing their SATs during the week beginning 13th May. We are extremely proud of how hard they are working in preparation for the tests. During the week of SATs, Year 6 children can come to breakfast club for free - full details were on the letter sent out yesterday. You will have to pay for siblings if they attend breakfast club during SATs week.

A huge well done to everyone who has achieved their first badge this month! Also, a big thank you to parents for supporting our new Walk to school initiative! 160 badges have been given out this month which is a fantastic start! Let's try to make May even more successful by walking to school (or park and striding for part of the way) as much as you can -especially as the weather hopefully improves!

| ACTIVE JOURNEYS TAKEN | NUMBER OF BADGES EARNED | LEVEL OF ENGAGEMENT |
|-----------------------|---|---------------------|

Well done to Year 1 who are at the top of the school leaderboard for the most active journeys to school in April with 72%!

Bikeability

This week, Years 4 and 6 took part in cycling sessions provided by Wolverhampton City Council. Bikeability is designed for children to gain practical skills and understanding on how to cycle safely on the roads as well as teaching how to keep bikes in rideable condition.

Bikeability 2025

The bikeability team will be in again in May next year for current Year 3 and Year 5. Children who can already ride a bike without stabilisers can take part. So that we can have more children taking part next year, here are some helpful tips from Halfords to help teach your child how to ride a bike:- <https://tinyurl.com/tkbhvw69>
