

15 December 2021

Dear Year 5 and 6 Parents

We are now ready for you to watch the world premiere of our carol service! Years 5 and 6 have worked really hard to produce this video in exceptional circumstances of staff and children isolating over the last 3 weeks. They are such wonderful year groups and we were determined that they should sing the songs they have worked so hard to learn.

Sit back, relax and enjoy the amazing children of Year 5 and 6 classes.

Steps to find the video:-

You can either click on this link:

<https://www.springvaleprimary.co.uk/news>

or you can find it on the website under remote learning – news. It should appear at the top of the list alongside the Foundation Nativity.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'C Blunt'.

Mr C Blunt
Headteacher

PS: Apologies for some children in PE kits, we had no choice but to record the carol concert on a day some of the children had PE. We hope you agree, it is more about what the children sing and what they say than what they look like.
