One superfan has made hundreds of Taylor Swift inspired friendship bracelets to donate to people in care homes. 11-year-old, Devon, came up with the idea to give out the handmade bracelets after seeing how happy her 92-year-old great-grandmother, Margaret, was with the one she gave her. Things to talk about at home ...

- > Have you ever been to a show or concert? If so, what was it like? Ask someone at home about their experiences.
- > Thinking about your own friends, what is it about them that makes them special? Ask others at home about their friends.
